Spoken English – 10 TIPS and Tricks

There could be hundreds strategies to Speak English, However we have identified the top 10 ways to Speak English fluently.

1. Speaking with Buddies – It's a traditional method with 3 steps approach
 - a. Well, Speak what you know, rather than what you don't.
 - b. Speak in English even if you don't get a few words handy.
 - c. Greet like a native speaker of English.
2. Watching the Kids Stories – It's the best way to listen.
 - a. Watch kids stories with subtitles
 - b. Listen to the tale carefully.
 - c. Repeat it loudly and clearly
3. Although people have the leisure to Speak at their comfort. It has become more challenging to stay committed on a daily basis.

As too much comfort makes people complacent. Resulting in Lack of adrenaline, Motivation, Zeal, Passion and Enthusiasm

Say it to your loved ones that you are Trying to Speak English, which will help you to be on your toes to cherish your commitment.
4. Practice regularly used phrase. At least 10 phrases per day. Which will not only help you to be better at Spoken but also builds rapport.
5. Join the English speaking community for FREE like **English World Hubli** (<https://www.englishworldhubli.com/>) or (<https://englishworld-spoken-english.business.site/>) , which encourages you to speak and make you aware of Do's and Don'ts regularly.

6. Understand the parts of speech of every word and use it in the sentences while you speak.
7. Talk to a person every day, who can talk to you in English and help you pinpoint your mistakes.
8. Listen to English songs and murmur the song at your ease.
9. Record a story in English.
10. Speak to perfect not after being perfect.
